Occhio

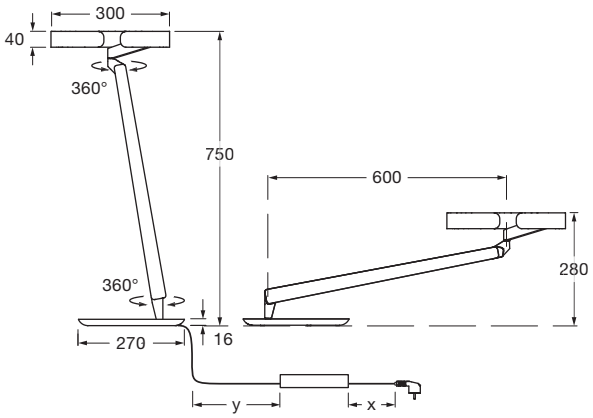

Gioia tavolo datasheet

Ring-shaped LED table luminaire with light emission on both sides and a luminaire head diameter of 30 cm. The lighting effect wide provides wide beam symmetrical light upwards for uniform indirect illumination and directional asymmetrical light downwards for perfect illumination of the table. The focus light allows further focusing of the downlight for a directed light with high intensity on a reduced area.

The head is freely rotatable (360°) without stop and can be removed for maintenance. The body is freely height-adjustable and can also be rotated freely through 360° without a stop. Connection via plug-in power supply (converter) to max. 230 V AC / 60 Hz mains voltage at a power of 30 W, control via »touchless control« on the head or via Occhio air. The color temperature is infinitely variable via »touchless control« or Occhio air from 2700–4000 K controllable.

dimensions in mm

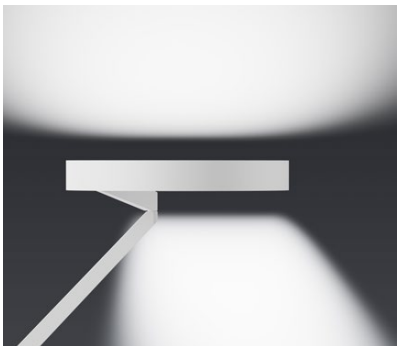

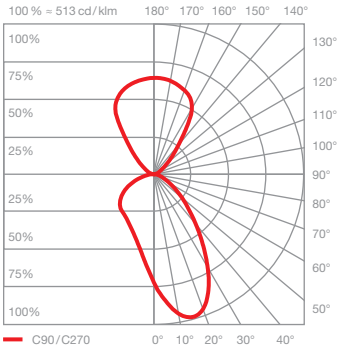

technical data Gioia tavolo

properties	material	head / body aluminium, base: steel, inserts: optical plastic
	cable lenght	power supply unit (x): 1 m luminaire (y): 2 m of which 1.5 m are retractable
	weight	8.5 kg (desk mount 1.9 kg)
surface	head	painted: matt white, matt black, matt silver, matt gold, colors by Occhio* PVD coated: rose gold, bronze, dark chrome, phantom anodized: black phantom
	fork / body / base	painted: matt white, matt black, colors by Occhio*
	cable	painted: matt white, matt black
Occhio »color tune« LED	average life time	> 50.000 hrs
	energy efficiency class (luminous efficiency)	G (60 lm / W)
	power	30 W (LED 24 W; standby < 0,5 W)
	color rendering index	high color; CRI Ra 95
	color temperature (color consistency)	2700–4000 K (3-step)
electricity	dimming	»touchless control« or Occhio air
	connection	110–230 V AC / 50–60 Hz
	power factor power supply (cos φ1)	0.9
	flicker / stroboscopic effect	1 (PstLM) / 0.9 (SVM)
	permitted operating conditions	ambient temperature 10–30°C, for indoor use only

Gioia tavolo
lighting effect

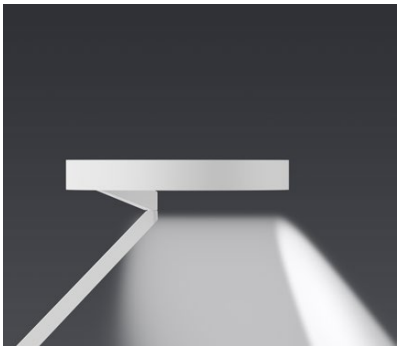

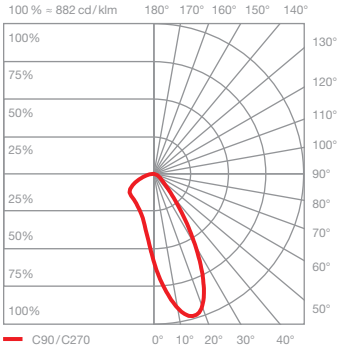

wide
wide light beam (up and down), beam angle approx. 80° directed (down)

inserts: wide asymmetric / flood

luminous flux : high color 24 W 1830 lm

focus light
directed and focused light downwards

luminous flux : high color 9 W 610 lm

Gioia tavolo
mounting option

desk mount (optional for Gioia tavolo)
for inserted mounting in tabletops
with a thickness of 10–45 mm
